or circumstances that counsel believe will assist the Court in conducting the settlement conference.

II. Settlement Conference

The video settlement conference will begin in a joint session with all parties and then proceed in separate “breakout rooms” with the Magistrate Judge and each party or “side” for private discussions. In the separate “breakout room,” a party or side may confidentially discuss with the Magistrate Judge information that may assist in the settlement process but that the party or side prefers not to disclose directly to the opposing party or side. If a party has an objection to these procedures, that party must advise the Courtroom Clerk and all other parties of the objection at least one week prior to the settlement conference.

All statements related to the settlement conference, including any substantive comments made by the Magistrate Judge, are confidential settlement discussions and are not to be disclosed in any other court proceeding.
